MAKING UP TO A CLOWN

*These 30-60 Minute Workshops & Performances
Are Also Ideal for Schools & Libraries*

This is an enjoyable opportunity for the audience to share with **Ish** as he makes up to a Clown.

Drawing from his 27 year colourful and varied career as a Singer, Songwriter, Storyteller and Clown, **Ish** provides a unique key to a better understanding, application and appreciation of this wonderful and joyful profession.

With the use of visual aids such as: mounted 11” x 14” photos of past and present clowns displayed on easels, complete make-up box and clown props, he shares an insightful look into the history, personalities, talents, costumes, and make-up that best describe the Clowns of yesterday and today.

Once in character, **Ish** then presents a vaudeville variety performance that reveals his special talent as a Storyteller, Musician, Singer, Songwriter, Balloon Sculpting Artist and “Clown.”

*After the Question & Answer session at the end of his workshop,
everyone goes home with a new nose of their own!*

Ish-ism: It's nice to be important, but it's more important to be nice.
